"A sponsors dream, articulate, presentable and always willing to explain the in's and out's of motorsport to corporate guests"

Paul Hartley, Westfield Medical Supplies

"What this lad doesn't know about how to set up a race winning car, isn't worth knowing! Showed a 2 time LeMans Winner how to shave 2 tenths of his lap time around Silverstone GP!! Much to everyone's amusement!"

Michael Roberts, Lola LMP2 Owner

"The consummate professional, and a thoroughly nice lad to boot!"

Darren Drinkwater, Crew Chief, Topcats Racing

"Without doubt the best driver coach/team mate I could ask for, gives 110% both inside and outside the car. Ideal for a team looking for a pro to partner with an amateur, guaranteed to be a sponsors dream!"

Sam Head, Megane Euro Series Racer

"As well as being a fantastic racing driver, Kyle is without doubt one of the best Driver Coaches I have worked with, I went from being a nervous driver in anything other than dry conditions, to having more confidence than I ever thought possible."

**Martin Perry, Amateur Driver and CEO of
West of England Residential**

“Put Kyle in any competitive sports car and the opposition would be left standing.”
Warren Gilbert, Team Owner, Topcats Racing

“Uncanny ability to wring a cars neck, whilst still being kind to the car and tyres.”
Brian Soule, Souley Motorsport, Team Manager

“Kyle tested for us and within 2 sessions, he had outshone the ex F1, factory Ferrari driver we had under contract. Blindingly fast, smooth and accurate. The fastest guy you’ve never heard of!!!!”

Paul Johnson, HP/Ferrari Racing

“Being a world beating racing driver is all about being lucky and getting that big break, how this hasn’t happened for Kyle already, I just don’t know! Super fast, intelligent and down to earth.”
Steve Lester, Rosso Noir Ferrari, Team Manager
